

Pension Fare Maeva - Huahine

Pension Fare Maeva enjoys an ideal location 5 minutes by bike from main village of Fare, along a major northwest-facing beach, where you will admire, in the comfort of your deck chair, magnificent sunsets behind the islands of Raiatea, Tahaa and Bora Bora. And if you are lucky, you will also be able to see dolphins and whales in season (July-October). The nice swimming pool will balance the difficult access to the lagoon in front of the guest house. Important Remarks

The establishment belongs to the official category of "guest houses & family hotels". The classification of these lodges has been set in order to clearly differentiate them from the "international hotels and residences" category, based on the following key elements:

- A limited number of furnished units, generally located beside the family home
- Facilities tailored to domestic standards, different from the international tourist hotels criteria
- Restricted catering service
- Limited number of professionally trained personnel
- Reduced taxes

While it is true that the level of comfort can not be compared to that of an international hotel, the commitment to hospitality remains nevertheless professional. Focus will be directed on the client's unique experience within an environment proper to the destination.
